
3037: GRIEVANCE PROCESS

A non-Senate academic appointee is entitled to select only one grievance review mechanism (**APM 150-40**). For a non-Senate academic appointee with a term appointment, if the hearing has not commenced by the ending of the appointment, the dismissal becomes a non-reappointment effective at the end of the appointment. The appointee has 30 days from the ending date of the appointment to grieve the non-reappointment (**APM 137, APM 140**). The grievance should be submitted in writing to the Vice Provost for the Faculty.
