RE: New Title Codes and Titles for Academic Personnel

Dear Colleagues:

Pursuant to requests from multiple campuses, the following new title code and title have been established in UCPath. This title and title code are effective May 1, 2026.

<u>Title Code</u>	<u>Title Name</u>	<u>Class Title Outline (CTO)</u>
003805	RECALL (WOS)	928

The use of this title is limited to circumstances in which a retired academic appointee is recalled to University service on a without salary (WOS) basis for a defined period. Appointments in this title must comply with the provisions of APM - 205, Recall for Academic Appointees, including that the individual has retired from the University; that the recall appointment begins no sooner than 30 days following retirement; that recall appointments are made for a defined term, normally not to exceed one year at a time; and that all other applicable policy requirements governing recall appointments are met. This title is to be used only for bona fide University recall service performed without salary and may not be used for honorific or courtesy purposes.

If you have any questions, please email Associate Director Kaylin Jue in my office at Kaylin.Jue@ucop.edu.

Sincerely,
